Current Text:

Does <Company Name> offer Satisfaction Guaranteed?

Yes! <Company Name> believes in its motto: "We clean it the way you like!" That means you get the best cleaning every time, satisfaction guaranteed! <Company Name> offers this guarantee because we are confident you will be more than satisfied with our services. If, however, you are not satisfied with your cleaning service we will be happy to do a re-clean free of charge.

Who will be in my home?

We normally work in teams of two, but occasionally our teams include more. We assign the same team to your home every time so you can get to know the people cleaning your home. All our cleaners are uniformed, friendly and fully trained in professional cleaning services.

Are you insured?

<Company Name>'s staff always take the utmost care with your belongings, but it's good to know that you are protected against any loss and/or breakage that may occur. We are fully insured, bonded and licensed. A copy of our certificate is available upon request.

What time will you be cleaning my home?

Our regular hours of operation are Monday through Friday 8 a.m. to 5 p.m. You will be scheduled during these times. Occasionally, we schedule Saturday cleaning services if the job demands more than normal house cleaning.

How will I know when to expect my cleaning?

We keep our cleaning schedule simple. If you are a regular customer we will schedule you the same specific day and approximate time for each cleaning. Monthly customers will receive a cleaning service calendar that shows their cleanings for the month.

Do I need to be home when the cleaners arrive?

It is not necessary for you to be home when we arrive. In fact, most of our customers prefer to provide us with a copy of their home key, entry code or use a lockbox. If your residence is an apartment you can authorize entry by notifying the office or landlord of your property. If you choose to entrust <Company Name> with your house key you can rest assured it is safeguarded in our secure lockbox.

Who will provide cleaning product & equipments?

<Company Name> provides all cleaning equipment and products. All products are fully tested so you can be sure your home will be cleaned safely and effectively. In addition to this, <Company Name> cleaning procedures are in full compliance with OSHA regulations.
